# News Letter

## Welcome Back!

We want to take a moment and welcome you to The Park and Blackhawk and Lakeside HOA.

Our goal is to keep you informed and up to date on all things Blackhawk! Events, information, and concerns. As we grow, we will add topics and educational information to better assist our residents.

### HEADLINES:

Our pool opened May 1st to booming numbers of residents utilizing the facilities! We have enjoyed seeing everyone at the pool and getting settled in to the swing of summer. As we do see higher numbers of usage, we encourage everyone to read the pool rules that are listed on the community website.

The Street Parking Survey that was discussed at the Annual Meeting, and noted in the last news letter, is now on TOWNSQ. Please, take a moment to review it and answer the questions we have provided. Our hope is to gauge the issues residents are most concerned about to better be able to address things moving forward.

**TARA MACLANE**

Hello Blackhawk!

We are in full swing at the Amenity Center for our busy Summer season. We are pleased to announce two new members to our Park at Blackhawk On Site Team.

Lorna Vasquez is our new Assistant Manager at the Amenity Center. Many of you have already met her in the office and have been so gracious in welcoming her to our team. Lorna will be in charge of issuing amenity access cards, booking private events, as well as taking over our social event coordination. As we get her settled in to her new role, we hope to start bringing some fun activities to Blackhawk in the very near future! If you need to reach Lorna, her information is:

PHONE: 6512-670-9704

We would also like to welcome our new Onsite Porter, Martin Rodriguez. Martin comes to us with many years of experience in maintenance and janitorial service. We look forward to having him here to better assist our needs with our growing community. If you see him around, take a moment to say hello! { Please note, that Martin our Onsite Porter, is not the same Martin who runs one of the community Facebook pages. This is a different person }

Thank you
